Dear Sir/Madam,

RE: APPLICATION FOR JOB AS DIGITALIZATION AGENT(DATA ENTRY)

Following the advertisement of a job vacancies in the Judicial Service Commission for Digitalization Agents. I hereby submit my application to express my interest to work with you. I am a graduate from Kirinyaga University having achieved a Bachelor's degree in Business Administration with IT (Business management and Administration Option) where I graduated with second class honors upper division in the year 2020.

I have worked with different financial institutions including BIMAS Kenya Microfinance and Kitui Teachers Sacco as a Loan Office and Assistant Administrator respectively. I am as well a competent software Engineer, I have done many software including schools, SACCOS and IT companies software, as well as worked with IEBC during both the Voter Verification and the General Elections as an ICT Officer. I have worked as a Data Entry clerk with Kitui Rural Constituency during the bursary award from the year 2020 to current.

I am excellent verbal and well-written communication skills. Moreover, I am flexible and self-motivated when it comes to work. I can also multitask in a busy environment. I am eloquent and transparent, with a high interest in organizations' well-being and smooth running of operations. Furthermore, I possess a positive attitude, a wholly progressive mind set and the ability to meet deadlines in time.

Looking forward for your positive response. Attached please find my resume for more information and your consideration. Thank you in advance for your kind attention and consideration.

Yours faithfully,

Francis Kioko.
